Pack programme for 23 October 2026

ALL TIED UP AT HOME - Mrs Knot's House!!!

Time	Activity	Equipment	Scouter
17:00 (15 min)	**Grand Howl** Duty six: Blue Attendance Inspection - Paws and Claws, Belt, Woggle, Pulled up socks, hat Welcome 1st Meadowridge. Divide Meadowridge cubs up between Plumstead sixes.	Skin, flag, Totem pole	Akela Caryn
Tonight we are at Mrs Knot's house and she is SO untidy and ALL TIED UP IN KNOTS! Her craft twine is all over the garden, her sweet shop order is all tangled, her grandkids have hurt themselves and she has left poisons lying around! She needs our cubs to sort her house out!" First we need to Tidy up Mrs Knot's garden, she dropped all her craft twine			
17:15 (15 min)	**Steam Release Game: Hank a short rope.** (SW 49) Mor to demonstrate hanking a short rope. Strips of twine (rope) are spread around the garden. Cubs go find the twine (one at a time) and go to the scouter with their coloured zip lock bag, hank the twine and once scouter is happy they can place it in the bag. The scouters are to keep moving as the cubs keep finding the twine. Cubs have 10 minutes to hank as much twine as they can. When the time is up, they can go and count how many they have hanked. Bones in order of winning six.	Coloured twine Zip lock bags	Akela Caryn 3 adults to hold zip lock bags
Her grandkids tripped over the mess and need bandages			
17:30 (15min)	**Advancement: Reef Knot Bandages:(SW 45)** **Stop bleeding (GW 74)** Demonstrate tying a reef knot. GW to pair up with a SW to help them with their bandages - one patient and one first aider at a time A body part is called and then a bandage must be tired on that part of the body. The bandage must be secured with a reef knot. When done, put your hand on your head so u can see when everyone has had a turn. Once everyone is done, scouter to call out a new body part.	Bandages	All
Her sweet shop order came tangled, only a reef knot and a short hank will save the sweets			
17:45 (20 min)	**Relay Game: Reef knot and Short hanking Sweet Cables** Cubs to line up in their sixes. Across the hall there are two colour bags of sweets on a chair (one in front of each six). A scouter to be standing by each chair. First round - take one of each colour and tie a reef knot. Cubs run back and eat their sweets while waiting for their next turn. Second round - take one sweet cable and short hank it. Cubs run back and eat their sweets while waiting for their next turn.	Sweets, Hand towel	Mor Other adults/ C.I to stand by chairs

	Wash hands		
While we are cleaning her house, we found dangerous stuff - what is poison?			
18:05 (15 min)	**Advancement: Poisons in the home** Discuss what are poisons and what do we do if someone takes a poison. Ask yes/no revision questions. The cubs are to stand in a line. If the answer is yes then they jump forward and if the answer is No they jump backwards. If lots of cubs get the answer wrong then the scouter needs to explain the correct answer.	Poison sheet Different types of poisons	Akela Caryn to do discussion Another scouter to ask review questions
Well done cubs. Thank you for			
18:45	**Closing grand howl** Hand out badges Thank you to 1st Meadowridge for joining us. Prayer	Totem pole Skin Badges
