Pack programme for 28 August 2026

Grug's Great Green Inventions

Time	Activity	Equipment	Scouter
17:00 (15 min)	Grand Howl Duty six: Green Inspection - Full uniform	Skin, flag, Totem pole	
In the spirit of *The Croods*, the Cubs play as the Crood family discovering "the future"—learning that instead of just hunting and gathering, they can **grow** their own food and **befriend** nature!			
17:15 (10 min)	**Steam Release Game: "Steal the Release Egg!"** Before closing, run a fast-paced energetic game based on the famous egg-chase scene from the first movie! • **Setup:** Place a large ball (the "Prehistoric Egg") in the center of the hall/field. • **Rules:** Divide the Pack into two teams ("Croods" vs. "Punch Monkeys"). • On the leader's signal ("EGGS FOR BREAKFAST!"), one member from each team races to grab the egg and carry it back to their base without getting tagged by the opposing player. If tagged, they must drop the egg for the other player to steal.	Big ball	Mor
Gurg is jealous of Guy for all his inventions. He lies down on the grass and starts dreaming…..			
17:25 (10 min)	LW Technology talk - EDEN - coffee machine / dishwasher / vacuum cleaner?	Eden's Poster	Eden
All the day dreaming has gotten Gurg in trouble and he better get back to his cave			
17:35 (10 min)	Game : Hula hoop game (danger run to cave) Similar to musical chairs Put hula hoops in a circle. Cubs run around and then jump into a hula hoop when "danger" is shouted. Remove a hula hoop each time.	Hula Hoops	Grey Brother
Those berries look yummy but smell funny. (fermented berries). Better to grow our own.			
17:45 (15 min)	**Advancement: OUTSIDE** **Grow a seed and transplant (SW 17)** **Vegetable bed and herb garden (GW 16 & 17)** Mix the compost and potting soil. Each cub has a clear plastic cup - let them fill it up with potting soil ⅔ of the way, then add some seeds near the side of the cub (so you can see the roots growing) - they need to take care of the seed and send us pictures of it growing. Once big enough they must transplant it into a	Clear container Seeds Soil Compost from garden	All Hands on Deck

	pot. Bring plants back on the 9th October to replant into bigger pots.		
Cave life is hard on everyone, even the birds. We continue our farming skills and create feeders for the birds.			
18:00 (20 mins)	**Advancement: Make a Bird feeder - (GW 14) Have a table outside** Each cubs spread peanut butter onto their toilet roll. Roll the toilet roll into the bird seed Attach string to hang it up in a tree Let them look at what birds come and feed on it for 2 weeks. Garden_birds.pdf - Cubs use this page to mark off the birds they see feeding on their bird feeder.	Toilet Rolls Peanut butter Wild bird seed String Blunt knives Newspaper Bags to take bird feeder home	All Hands on Deck
18:20	Closing grand howl Hand out badges Prayer - Zayden Bingo Next week	Totem pole Skin Badges
