Lights, camera, action! Today we are joining a Cub named Russell on his adventure to Paradise Falls. He was a very proud Cub; his shoes were always shiny and his socks always UP.				
	05	**INSPECTION:** Socks and Shoes	Gems	All
Russell encounters a pack of dogs led by Alpha, who is chasing Kevin the Bird.				
	05	**STEAM RELEASE:** Dodge the Retrievers Two Cubs link hands and are called "Alpha". They chase the rest of the Pack who are "Birds" and if they capture one he/she is taken to the leader. When a second "Bird" is captured he/she joins the first to make a second "Alpha". This is repeated until all the "Birds" are captured.	None	Amber
Mr Fredericks, Russell, Kevin and Dug are on their way to Paradise Falls in the balloon house.				
	10	RELAY GAME: Balloon Race The Cubs line up in relay formation. Cubs each receive a top or sideview card. The first Cub places an inflated balloon between his/her knees and "runs" a short distance, pick up a corresponding top view side view card and go back again. He/she gives the balloon to the next Cub who does the same, and so on until everyone has had a turn. The first Six sitting at the alert is the winner.	4 x Balloons Top view side view cards in cupboard.	Nel

Now that Russell has reached Paradise Falls, let's see what he remembers of his adventure				
	12	Base 3: SENSE TRAINING: Russell's Photo Album The pictures are set out as a memory game, face down. The Cubs take it in turns to turn over two cards. The object of the game is to find a matching pair. Once a matching pair have been found, the Cub who found the pair, keeps the pictures. The Cub with the most pictures is the winner.	Two sets of pictures First aid emergency kit items (In Cub cupboard)	Nicole
During their adventure, Kevin the Bird (who was actually a mother), found her chicks.				
	10	**CIRCLE GAME:** Finding Kevin's Chicks The Cubs sit in a circle. A bunch of keys (or something similar) is placed in the middle of the circle. Once Cub, who is blindfolded, is chosen to be the keeper of the chicks (keys). He/she sits next to the chicks (keys) to protect them. The leader calls on a Cub who must creep very quietly towards the keeper and try and retrieve the chicks (keys) without being heard. If the keeper hears something he/she must point in the direction of the noise. If he/she points in the right direction, the Cub who was caught becomes the keeper. Everyone is home safe and sound and Russell earned his last badge. Guess who was there to see him getting his badge – Mr Fredericks!
