17:45	10min	**Grand Howl** *When you're out on the ocean, sailing in search of adventure, you might just need a little bit of first aid, or if things go really wrong it might be time to call for a Tiny Tiny Chopper. Are you prepared for everything an adventure might throw at you?* **Inspection (are you prepared?) :** one marble for each ○ If you returned your good turns diary ○ Emergency first aid kit ○ One thing you can do in an emergency (e.g. call for help, phone 112, stay calm, check for hazards, keep yourself safe, wear gloves, find an adult, stay with the person in trouble, find out what happened, check for medical bracelets/tags, etc.)	Council Rock Flag Totem	Akela Inspection: Red Six = Akela Yellow Six = Rocky Green Six = Kaa Black Six = Chikai
We have arrived at the isle of Schplinterschtinger and you need to make your way through the brambles and the bee hives to reach the oasis for some fresh water. Try to avoid the stings and the splinters, but if you get one you better know how to take it out.				
17:55	15 min	Stingers & Splinters • Two buzzing bees (with a pool noodle sting) • Two brambles/trees (with soft branches) • If you get stung by a bee, go to the bee string station and remove a sting using a knife to scrap it out of the orange • If you get caught by a tree, go to the splinter station and remove a splinter using tweezers to pull it out of the polystyrene • Return to the game after the station	Short pool noodles Soft branches Tweezers Knives Toothpicks Polystyrene with splinters Oranges with splinters for bee stings	Kaa Akela - bee string Chikai - splinter
We've reached the oasis! Take a break and have a drink.				
18:10	5 min	**Water Break**	Water bottles	All

The gold wolves were pulling up the water buckets and have all strained their shoulders - Silver Wolves to the rescue! Sling up those arms so we can keep moving.				
18:15	10 min	Arm slingers • Pair up GW and SW • SW to tie GW arm in a sling with scarf		All
Someone was careless and their fire has spread through the bramble forest! The SW weren't fast enough to escape and they are on fire! They've panicked and forgotten to STOP DROP AND ROLL. Gold wolves, grab a blanket and smother the fire.				
18.25	15min	Fire blanket • SW are "on fire" and panicking. They run around • GW have a blanket • Catch you SW in the blanket to put out the fire • Once you've caught them, treat their burns with burn shield and wrap a bandage around the wound Treating a burn: • Run under water for 10-20min to cool the would • Apply burnshield • For a bad burn it is important to keep it clean and covered • Use a non-adherent wound dressing, or cover with clean cling wrap and then bandage	Blankets Cubs to bring towels Cling wrap Bandages	All
The gold wolves have scraped and cut their arms while saving the silver wolves from the fire. Now it's your turn to take care of them.				
18:40	10min	Clean cut • Make a fake wound on GW • SW to clean wound and apply a plaster Treating a cut: • Put gloves on before starting (we won't wear gloves tonight, but remember to protect yourself and the patient) • Use a wound cleaner spray and clean gauze or a cotton pad to gently clean the wound. • Apply a plaster or wound dressing	Fake blood in squeeze bottle Wound cleaner Cotton pads Plasters	All

Phew! We're back on the boat and need to be ready for anything that a life of adventure throws at us, from nose bleeds to gushing blood.				
18:50	10min	Stop the bleed • "Nose bleed" hold nose, head forward • "Apply pressure" - hands together and press on the ground • "On fire" - stop, drop and roll • "Get the first aid kit!" - run to the back of the hall • "Dial 112" - run to the front of the hall		Kaa
