17:45	10min	**Grand Howl** Roz has discovered something amazing. We are not the only Cubs in the world! There are Scouts, Cubs and Meerkats all over the planet - but Roz doesn't know where they are or just how BIG the Scouting family really is. She's sent us a giant world map... but there's a problem. The map has been broken into pieces! Your mission is to find the pieces, solve the challenges and rebuild Roz's map of the Scouting world! Tonight is also a ceremony night, so let's do an inspection and see how much you respect your uniform. **Inspection:** [OWs to discuss why respecting our uniform is important - see attachment] • Neatly rolled scarves (1) • Wearing a woggle? (1) Award a bonus marble if the clip is to the back. • Shirt neatly tucked in? (1) Award a bonus marble if badges are neatly sewn • Cub Cap (1) • First Aid Kit (1)	Council Rock Flag Totem	Akela Inspection: Yellow Six = Akela Red Six = Hathi Green Six = Kaa Black Six = Chikai
Inspection complete! Roz is happy with what she sees — but there's no time to waste! That map is still in pieces, and Roz needs YOU to put it back together. Sixes, get ready to race, think, solve and work together... it's time for the Roz's World Scouting Challenge!				
17:55	25mins	**Steam Release: a game with a difference (long game): The World Scouting Mission** *Att Old Wolves:* *This is not your average 10min steam release, but rather a fast-paced team challenge where Cubs race, solve, act and discover their way around the world of Scouting. This is a 25-minute challenge, consisting of a series of short games. Please help to keep the Sixes moving and don't let individual challenges become discussions. The aim is energy and momentum rather than getting every challenge perfect.* 17:55–17:58 - Explain Mission (Kaa) - 3mins	Labelled World Map puzzle pieces Secret code pieces (colour coded) Country codes (in colours) and matching Country name/flag	Red Six = Akela Yellow Six = Hathi Green Six = Kaa Black Six = Chikai I would prefer Kaa to lead the game and keep time, so will try and find another parent to

They need to work together to decipher it • Points awarded as follows: **2 marbles** if the Six only deciphers "Lord Baden Powell" **3 marbles** if the Six deciphers "Lord Baden Powell is our founder" **4 marbles** if they decipher the full code. • Once the Six has deciphered their code, they receive a puzzle piece 18:06–18:11 - Round 3: Where does it go? (5mins) • Each Six member gets a country card (in the colour of their Six) • In relay form, they have to race with their card and match it to the Country name, and then run to the back of their line, and the next Cub has a turn • Cubs may attempt to correct an error when going up for their turn • Points awarded as follows: **6 marbles** if all countries are matched correctly **Then 5, 4, 3, 2 & 1** for the number of correct matches • Once the Six has completed their challenge, they receive a puzzle piece 🇿🇦 South Africa 🇬🇧 United Kingdom 🇯🇵 Japan 🇮🇳 India 🇦🇺 Australia 🇨🇦 Canada 18:11–18:15 - Round 4: Scouting Charades (4mins) • Cubs sit in their Sixes • One Cub is called up at a time • A Cub activity is whispered in their ear (see examples below) • They act it out for their Six, and the Six guesses the correct answer • They have 20 seconds to act it out before the next cub has a turn • The six earns a marble for every correct guess • Once everyone has had a turn, they receive a puzzle piece 🏕️ Camping; 🔥 Making a fire; 🥾 Hiking; 🎵 Singing; 🎨 Crafting; 🪢 Tying a knot	Envelope with mystery question & a pencil	assist with Green Six

(2mins)** • The Pack gathers and put their 4 puzzles together, creating one large picture • Can the Cubs spot the 4 countries we visited two weeks ago (India; England; Japan; South Africa?) • They are to find themselves and then have a look at ALL the other Scout groups throughout the world Look how far apart we are from each other - and yet we're all part of the SAME worldwide Scouting family.		
MISSION COMPLETE! Roz is very impressed; but even robots know that Cubs need to recharge! After all that running, thinking and teamwork, it's time to refuel. Water bottles at the ready... you have 5 minutes to hydrate, because then it's time to make contact with your mystery Cub friends!				
18:20	5mins	Water Break		All
Mission Update from Roz: we've discovered that our Scouting family is HUGE! But discovering our Cub friends is only the beginning... Now we need to make contact. There's just one challenge — we don't know who they are yet! So, Cubs, it's time to write a letter to your mystery Cub friend				
18:25	25mins	**Roz's International Friendship Mission – Pen-Pal Letters** Cubs sit in their Sixes and Akela briefly explains what Pen-Pals are. Pack! Roz is excited to learn that there are Cubs all around the world and she wants us to get to know them better, and to do that, she'd like us to make the first move. Your mission is to write a letter introducing yourself to a mystery Cub friend somewhere else in the world. Tell them a little about yourself, your Six and what you enjoy doing — and then ask them some questions so that you can get to know them too. We don't know their name yet... and they don't know yours!	Tables Chairs Letter templates Pencils Erasers Pencil Crayons Postbox	Red Six = Akela Yellow Six = Hathi Green Six = Kaa Black Six = Chikai

		So put your letter into my International Mailbox, and we will send it on its journey when we discover who your new Cub friends are. Who knows? Somewhere far away, another Cub could be waiting to hear from YOU!		
Your letters are ready for their journey, Cubs, and Roz is very proud of the first step you've taken towards making new friends around the world! But tonight, we're also welcoming two new Cub friends of our very own. Jonah and Jordan have come to us from another District, and we are delighted to officially welcome them to 1st Somerset West Scout Group in the Helderberg District. So, before we finish tonight's adventure, let's prepare for their Investiture and our closing. And remember - our Wild Robot adventure continues next week, when we take Roz on a HIKE!
