Time	Activity and venue	Leader	Equipment
From 5:15pm	Set up flag, assemble tool stations, and establish safety zones.	Duty Sixer - Red	Flag, tiger skin, wolf, safety cones/tape
5:30 - 5:40	**Grand Howl & Theme Intro** Introduce Theme – Repairs & Tools (Handyman Skills). Explain the 3 Golden Safety Rules: ● Never run with tools. ● Maintain a "bubble of safety" (arm's length distance). ● Always put tools back after use.	Akela & Pack Scouters	Flag, tiger skin, wolf, sample tool box
5:40 – 6:00	**Game: Nut & Bolt Matchup Relay** In Sixes, Cubs run to the end of the hall to match loose nuts to the correct bolt diameter and thread them together completely before tagging the next Cub.	Scouts and Leaders	4 sets of varied nuts and bolts (M6, M8, M10), sorting buckets
6:00 - 6:15	**Tool Demonstration & Safety Intro** Demonstrate correct grip and posture for hammers, screwdrivers, and sandpaper. Explain safety goggles and keeping fingers clear of hammer strike zones.	Liam	Safety goggles, claw hammer, screwdrivers, wood blocks
6:15 - 6:45 (Base 1: 10 mins) (Base 2: 10 mins) (Base 3: 10 mins)	**Rotating Skill Bases (Sixes rotate every 10 mins):** **Base 1: Screwdrivers & Fasteners** Practice driving screws into soft wood with pre-started holes. Practice identifying flathead vs. Phillips screws and tightening loose hinges on test boards. **Base 2: Hammer & Precision Nailing** Use small claw hammers to tap nails into scrap timber. Use a peg or comb to hold the nail in place safely. **Base 3: Sanding & Tool Maintenance** Sand rough wooden edges using sanding blocks (coarse to fine grit).	**Base 1:** Akela **Base 2:** Liam **Base 3:** Rob	**Base 1:** Screwdrivers, hinges, wood blocks, flathead/Phillips screws **Base 2:** Small claw hammers, wooden blocks, nails, peg/comb holders, goggles **Base 3:** Sanding blocks (P80 & P120 grit), scrap wood, rags,

Time	Activity and venue	Leader	Equipment
