Duty Six: Green Meeting Leader: Hathi

Time	Activity and Venue	Leader	Equipment
17h30 – 17h40	**Opening and Grand Howl** Birthdays: Alex Duty Six: Green **Theme introduction: Home Safety** Start with Adventure hunt	Akela	Flag, totem, tiger skin
17h40 – 18h05	**Adventure Hunt — outdoors, in the light** Six stops. At each one there are four pages pegged up — Yellow, Green, Blue and Red. A Six reads its own colour only. **Every Six walks a different route,** so the four colours at a stop carry four different clues and nobody can follow anybody. **Every Cub takes a tag at every stop,** so every child ends the hunt with all six words in their own hand. **The answer:** GET OUT · STAY OUT · CALL 112. The words are not in walking order, so every Six has to solve it. **Finish line is the hall centre (Hathi).** First Six back with a full set of tags AND the sentence wins.	All	24 hunt pages, pegs, message slips
18h05 – 18h20	**Emergency Cards and Wordsearch — at the tables** Whole Pack sitting down. This is the quiet slot and it is deliberately placed after thirty minutes of running. **Every Cub:** fill in your emergency card — address, cross street, two grown-ups and numbers, a neighbour, the family meeting point. **If you finish early:** The wordsearch, then the hazard house on the corner table — sheet off, twelve hazards to find, write them on the Six slip.	All – One leader on laminating	Cards, kokis, wordsearches, 6 rinsed containers, laminator
18h20 – 18h40	**Skit Practice time** Each Six gets a card with a different home risk, a starting line and a few ideas.	All	4 skit cards
18h40 – 18h55	**Silent Skits Acted to all**	Hathi	
18h56 – 19h00	**Closing Grand Howl** Reflection and notices. Reminder: interest badge night on 9 September.	Akela	Flag, totem
