| 17:50 (15) | **Kim's Game: Memory and Observation**<br>*(Explain what a Kim's game is)*<br>A Kim's game is a memory and observation game that scouts play to develop their capacity to observe and remember details. The game is named after Rudyard Kipling's character,Kim, who trains to be a spy by memorizing objects. It helps scouts learn to focus and concentrate on details.<br><br>1. Set up: Gather 10 -20 items (Small/Everyday kind of items). place them on a tray or flat surface.<br><br>2. Observe: Give cubs a minute to memorize the items and their positions.<br><br>3. Hide: Cover the tray with a cloth,towel or blanket.<br><br>4. Memorize: Cubs to draw or write down what they saw.<br><br>5. Remove items and repeat it again. Cubs to spot what items were missing. | Items to gather (Meg)<br>Towel (Meg)<br>Tray (Meg)<br>Paper<br>Crayons/pencils | Leela |
