HANDCRAFT - SUPER DAD FATHER'S DAY GIFT

SUPPLIES NEEDED TO MAKE FATHER'S DAY GIFT:

- Super Dad Father's Day gift template → **DOWNLOAD THE TEMPLATE**
- Hershey's chocolate bar
- colored cardstock paper
- yarn for hair (optional)
- markers or crayons
- scissors
- tape
- glue stick
  - You can either print this all out on white paper and have children color in all of the pieces on their own. Or you can print out the Super Dad capes on colored cardstock and the face template on a skin tone colored cardstock.
  - We printed on colored cardstock at home but in a group setting where ethnic traits may vary, it would be beneficial to go with printing the faces with white cardstock so the children can color in the skin tone how they choose.
  - **Step 2:** Cut out all of the pieces of the template. Use your markers (or crayons) to color in the the Super Dad badge and the Super Dad face. On some of our examples we used yarn for hair. This is optional.
  - **Step 3:** Personalize the Father's Day gift label by completing the sentence with something "super" your Dad does using markers.
  - **Step 4:** Lay the Hershey's chocolate bar on top of the superhero cape, aligning the chocolate bar with the bottom of the cape. Fold down the top corners and make creases along the cape to form the cape around the chocolate bar.
  - Add tape to the superhero cape and lay your chocolate bar down onto it.
  - **Step 5:** Add a piece of tape at the bottom of the chocolate bar and at the top of the chocolate bar and attach the Super Dad badge and the face to the tape.
  - **Step 6:** Use a glue stick (or tape) to attach the Super Dad Father's Day gift tag to the back of the superhero cape.

Song - Out on a Lion Hunt

Going on a lion hunt.
Going to catch a big one.
I'm not afraid.
Look, what's up ahead?
Mud!
Can't go over it.
Can't go under it.
Can't go around it.
Gotta go through it. (Make sloshing sounds and move hands as if slogging)

Repeat, replacing mud with:

Sticks (snap fingers)
Tree (make gestures climbing up and down)
Gate (make gate-opening gestures)
River (make swimming gestures)
Cave (go in it and find lion. Reverse all motions quickly to get home)
