Theme:	**The Lorax**	

Date: 28 September 2026 Duty Six: **Yellow**

Time	Min	Activity	Equipment	Scouter
18h00	15	**GRAND HOWL** Flag Register Break	Totem/skin/ Flag/flag pole Register	Raksha Six
Tonight, we visit the Lorax, who speaks for all nature, from the tallest of the tall to the smallest of the small. The Lorax speaks against the Once-ler when he comes looking for Truffula Trees, in search of new ways to make profit with ease. The Once-ler doesn't reuse or recycle – he hunts for the things that he wants and will only use once. Let's inspect all the things you have one of – Cap, Scarf, Woggle and Belt.				
18h15	5	**Inspection:** Caps/scarves/woggles and belts.	None	All
I am the Lorax and I speak for the trees. I speak for the trees for the trees have no tongues and I'm asking you at the top of my lungs, oh please don't cut down another one.				
18h20	5	**Steam release:** Tree Switch Allocate each Six to the corner of the hall that is named a tree – Naboom, Yellow wood, and Bushwillow. One of the cubs is "it" and stands in the centre. When the leader calls two of the tree names the two Sixes must swop over. "It" tries to catch someone as they swop sides. Anyone caught must help "It". When forest is called everyone swops over.	None	Rikki
Now dear cubs, unless someone like you cares a whole awful lot nothing is not going to get better, it's not. That is why we should always follow the code of the outdoors and respect nature and our conservation laws.				
18h25	10	**Relay Game:** Outdoor Code In relay formation the cubs must gather all the pieces of the outdoor code and put it together.	Pieces of outdoor code.	Kaa
You have brains in your head. You have feet in your shoes. You can steer yourself any direction you choose. But choose wisely the path you take, please, for everyone's sake. Let's be very, very clear. We need to conserve earth's precious resources my dear. You are now going out to hunt for a few things on my list but be aware for there is a little twist.				
18h35	10	**Wide Game: Say What? Scavenger Hunt** In Sixes Cubs must go outside and try to find the items on their list.	List of items to find.	Akela
If you like to splish and splash, keep the water on the grass. Streets and paths don't need to be wet; make good use of each drop of water you get. So, take you buddy with you;				

and go drink a drop or two. Remember to close that tap tightly as we shouldn't take water wastage lightly.				
18h45	5	**Water break**	None	All
It may be surprising – it may make you scoff. But electronics use energy even when turned off! A smart power strip cuts the energy flow. When you turn off your TV at the end of your show! So, join the Lorax by doing your part, save energy at home and at school, to keep pollution out of the air and keep our earth cool!				
18h50	10	**Quiet Game: Conservation Champion Board Game** Cubs split into groups of 4 – 5 players and play the Conservation Champion board game to see who is first to become the Conservation Champion. Cubs can play multiple rounds if time allows.	Board Game, tokens, dice	Rikki
The Lorax is glad we have so many champions out there to conserve the resources on earth and show that you care. So remember here's one small idea that is really bright, when leaving a room make sure to turn off the light.				
19h00	10	**Active Game: Shoe Game** Cubs all put one shoe in the middle of the hall and then stand on either side of the hall. When the lights go out everyone runs to the middle to retrieve their shoes.	none	Raksha
The Lorax is proud to speak for the earth. Without it what would our future be worth? Now he needs you to be of assistance and to all the once-lers offer resistance! Join US in spreading the word and finally the voice of the earth will be heard.				
19h10	5	**Activity: Pledge** Cubs to fill in their Lorax Poem Pledge.	Pledge, pens/ kokies	All
19h15	5	**Tidy up and collection of bone bags**		Seconds
19h20	10	**Closing** Announcements Flag Down Prayer Dismiss	Totem/skin/ Flag/flag pole Prayer book	Akela Six

New Chums:	**Silver Wolf:**	**Gold Wolf:**
Promise and law.	Awareness Challenge: Conservation: 1. Explain to a Pack Scouter what conservation means. 2. Name three natural resources which are important to conserve. Show a Pack Scouter how you can help to conserve them. Living with Nature: Revision: Outdoor code	Awareness Challenge: Conservation: 1. Identify everyday activities in your home which waste or consume energy. Healthy Mind: 1. Learn to play a board game.
