The other cubs line up at the opposite end of the play area. The other cubs call out in unison: "What's the time, Mr. Wolf?" The wolf turns around and yells a time, such as "It's 3 o'clock!" The cubs take that same number of steps forward (three steps, in this example). The cubs keep moving closer to the wolf with each new time. When the cubs get very close, the wolf can shout: "It's dinner time!" Instead of giving a time, the wolf turns around and chases the cubs. The cubs run back to the starting line to stay safe. If the wolf tags a cub before they reach safety, that tagged cub becomes the new wolf for the next round.	Meena
