18:40	05	GRAND HOWL Flag Prayer Notices / Badges Dismiss	Totem/Rock Flag Handouts	Sahi / All

Badge Covered:
Food for life Badge

Game/ Activity:	STEAM REALEASE: Weeds and Wegetables	Leader: Sahi	Time: 17:45

Instructions:

- Divide your group into two equal teams.
- Have the teams form two parallel lines facing each other, about 1 meter apart.
- Designate one line as the **Weeds** and the other as the **Wegetables** so that every player has a partner opposite them.
- Mark two parallel safety lines (baselines) about 10–20 meters away from the center, one behind the Rats and one behind the Rabbits.
- The leader/coach shouts either **"Weeds"** or **"Wegetables"**.
- If **"Weeds"** is called, the Weeds must turn and sprint to their safety line before their Wegetable partner can tag them on the waist or back.
- If **"Wegetables"** is called, the roles reverse; the Wegetables sprint to their safety line while the weeds give chase.
- Players score a point if they successfully reach the line without being tagged, or if they tag their partner before they reach the safe zone.

To make the game harder or more engaging for older kids, try starting from different positions instead of standing up: [1]

- **Back-to-back:** Players start sitting or standing back-to-back.
- **Plank position:** Players start in a push-up/plank position facing away from each other.
- **Belly-down:** Players lie flat on their stomachs with their feet touching the center line.

Game/ Activity:	GAME: Scavenger Hunt	Leader: Akela	Time: 17:45

Instructions:

Plant Ingredients Scavenger Hunt: Discover what plants need to thrive.

How to play: Hide colored cards (or tokens or Ice cream sticks) around the garden or hall. Each color represents a key ingredient (White = Air, Red = Warmth, Blue = Water, Brown = Soil, Yellow = Light).

The challenge: Split the Pack into Sixes. They must search for and collect one of each color to successfully "grow" a healthy plant. The first Six to collect all the items wins.

Game/ Activity:	GAME: Vegetable Vagabond	Leader: Ooh	Time: 17:45

Instructions:

This game is designed to test their knowledge of different vegetables and hone their harvesting skills.

How to play: Set up a start line and a finish line. At the finish line, place a collection of different vegetables (or picture cards of vegetables). The challenge: The first Cub in each line runs to the finish line, "harvests" (picks up) one specific vegetable requested by the Scouter, and runs back. The next Cub then get ready to collect the next request. The six who have harvested the most vegetables wins.
